## Autumn... or first Wintry Blast!

Downtown Trinidad about 4 p.m. Monday looked more like a winter scene than the warm September afternoons we've been enjoying lately. With today marking the official start of autumn, local residents hope to see a return to sunny blue skies and the colorful hues of fall foliage.

### Earthquakes - Far Away and Close to Home

TRINIDAD -- Anne Sheehan, professor of geophysics at the University of Colorado at Boulder, will present "Earthquakes: Far Away and Close to Home", a discussion of her high altitude studies of earthquakes, when "CU in the Community" returns to Trinidad for a 2009-2010 series on Thursday, October 1.

The program will begin at 7 p.m. in the Massari Theatre at Trinidad State Junior College.

Dr. Sheehan's ongoing projects include work in the Himalayas, New Zealand, the Colorado Rocky Mountains, and the Rio Grande Rift. Much of the work she does includes the deployment of

## Georgia Rino will receive state association award

Photo by David Santistevan, Jr.

A very special Board of Education meeting will be held on Tuesday, Sept. 22 at 6 p.m. at the Trinidad Middle School Auditorium. The meeting will be very light on school board business and very heavy on a special celebration of the 44 years of faithful service to education from our Board of Education President, Georgia Rino. A special award will be given to Mrs. Rino from the Colorado Association of School Boards. A reception for Mrs. Rino will follow the meeting

## Temple Aaron celebrating High Holy Days

Special to the Chronicle-News from Temple Aaron

With the coming of fall, it is the time of the High Holidays. Fortunately, this year the congregation has been celebrating the New Year in our home, Temple Aaron, in Trinidad.

This year we are enjoying the great improvements to the exterior of the temple, including beautiful new steps and stonework allowing us to share the history of Temple Aaron through the joy of Rosh Hashanah and Yom Kippur.

Rabbi Feldman again joins Temple Aaron as our leader. Rabbi John Feldman comes to Temple Aaron from Albuquerque, New Mexico. Rabbi Feldman's diverse background includes attaining his Master's degree and ordination from Hebrew-Union College-Jewish Institute of Religion, a Juris Doctor from University of New Mexico Law School. We are fortunate to have the pleasure and talents of the entire Feldman family to celebrate the holiday season.

Rabbi Feldman is currently the Assistant Dean at the University Of New Mexico School Of Law and has been the leader of The Curio Cowboys, a Western Swing Band, for 13 years.

Accompanying Rabbi Feldman and the congregation is Cantor Elliot Magalnick. He hails from Denver, Colorado, and currently does independent cantonal work. We are quite blessed to have this talented addition to our High Holy Day services this year.

The High Holy Days Schedule at Temple Aaron:

Erev Rosh Hashanah was September 18 at 8:00 p.m.

Rosh Hashanah - September 19 at 10 a.m.

Kol Nidre - September 27 at 7:30 p.m.

Yom Kippur - September 28 at 10 a.m.

## Big weekend in Volcano Triangle communities

By **TIM KELLER**  
*The Chronicle-News*

The Volcano Triangle communities of Des Moines, Folsom, and Capulin, NM on September 26-27 will present their second annual series of autumn community events. Sponsored by Vital Roads, Studio C, the Folsom Museum, the Mandala Center, and the Des Moines Rural Revitalization Initiative, Saturday and Sunday events will keep people busy just fitting it all in.

Festivities begin with the Summer Art Street Fair on Des Moines's Main Street (Broadway Avenue, Highway 64/87) from 11 a.m. to 4 p.m. Saturday. Featuring local foods, arts, crafts, and farmers market, the event focuses on the arts, including sidewalk chalk art and a public mural painting on Studio C.

Kids can blow giant bubbles, enjoy a petting zoo, or add face painting and henna tattoos to their bodies. All events are free; a barbeque lunch will be available from Folsom's Jalane Osborne. Vendors are invited to set up their own booths under a big-top tent, with donations to Vital Roads welcomed.

Saturday evening from 5 to 6:30 p.m., the Folsom Museum presents a public spaghetti dinner in the old Folsom Schoolhouse. A \$5 donation is requested. Expect to see a lot of thin

people: this event doubles as the traditional carbo-loading dinner for runners the night before the Capulin Volcano Run.

Then it's back to the Mandala Center, just west of Des Moines, for an evening sunset concert open to all. Last year's performance was so well-received that soprano Valerie Powell, pianist Eileen Terry, and flautist Randi Whitman will return for an evening of songs, arias, and classical music. The concert will be followed by a wine-and-cheese social. The event runs from 7 to 9 p.m., with donations accepted. The Mandala Center requests RSVP at 575-278-3002, preferably by Wednesday, so they can be prepared for all that arrive.

Sunday's events begin early with the second annual Capulin Volcano Run. Half-marathon runners will gather at the Folsom Schoolhouse at 6:00 a.m. for a shuttle up to the starting line near Capulin Volcano National Monument. As the starting gun cracks to send them on their way to the volcano's rim and back down to Folsom, 5K runners and Fun-Run/Fun-Walk participants will all gather at the Folsom Schoolhouse at 7:00 a.m. After all the runners and walkers converge at the schoolhouse, there will be a post-race party with giveaways. Runners may register at www.capulinvolcanorun.com.
